

VISA REQUIREMENTS

Conference attendees from outside the United States should determine whether a visa is needed. If a visa is needed, foreign travelers should apply for his/her visa as soon as possible to allow adequate time to apply and obtain the visa.

For general information on US visa requirements, go to: www.unitedstatesvisas.gov. Travelers should note that US Embassy Consular Sections overseas have sole responsibility for visa processing and the issuance of visas and applicants should apply to the US Embassy Consular Section in his/her country of residence. Additional information, including a list of embassies, consulates and U.S. Diplomatic Missions, can be found on the US Department of State web site: <http://travel.state.gov/>.

If you need an invitation letter to attend the conference please contact SES Headquarters using the contact us buttons throughout the web site.
